Miss Kathleen Parlow,  
129 Major Street,  
TORONTO, Ontario.

Dear Miss Parlow,-

re.- Mortgage Loan No. 17870 R/5

We have been advised that you have purchased the property at 129 Major Street, Toronto, and will be responsible for all future mortgage payments to this Company under the first mortgage which we hold against the property. Our mortgage calls for regular monthly payments of \$70.00 on the 1st of each month to cover interest and principal, and the next payment will fall due on the 1st of May 1960. We shall look forward to receiving your cheques for that payment and all future payments on or before the due dates.

A great many of our customers make their payments by sending us post-dated cheques, since this eliminates the possibility of their forgetting to send us the mortgage payments on the due dates. This method of payment is very satisfactory, and if you would like to make your payments in this manner, kindly fill out the attached form and return same to this Office. Our Staff would be happy to prepare twelve post-dated cheques, which we would send to you for your signature.

Our Company does not issue receipts for mortgage payments, and therefore, we would ask that you quote your reference number, which is '17870 R/5' when writing or making payments. Your cooperation in this connection will greatly assist our Staff and will assure that your payments are credited to the proper account.

Yours very truly,

J.G. MOSLEY/R  
Encl.
